HYDROPHOBICITY BY SUBSTITUTING ONE OR MORE
AMINO ACIDS OF CA-MA PEPTIDE AND
PHARMACEUTICAL COMPOSITIONS CONTAINING
THEREOF**

Assistant Commissioner for Patents
Washington, D.C. 20231

PETITION FOR CORRECTION OF INVENTORSHIP UNDER 37 CFR 1.48(a)

Statement from Person Who is Being Deleted as an Inventor

1. I, Hee Nam Kim, was employed by Chosun University during the time period in which the above-referenced patent application was filed, and was under an obligation to assign to Chosun University (hereinafter Chosun) the rights to inventions resulting from my employment to Chosun.
2. On February 22, 2002, the above-referenced patent application was filed in the U.S. Patent Office claiming the benefit of Korean Patent Application No. 2001-57837 filed September 19, 2001.
3. I executed a Declaration/Power of Attorney document corresponding to this U.S. application shortly before the application was filed.
4. Shortly after this application was filed, I was made aware of an inquiry into the inventorship for this application. I now understand and agree with the fact that I am not an inventor as determined under the laws of the United States of America.

5. I believe that the error of naming me as an inventor of U.S. Patent Application No. 10/081,418 occurred without any deceptive intent on my part.

7. I further declare that all statements made herein of my knowledge are true, and that all statements made on information and belief are believed to be true, and further that these statements were made with the knowledge that willful and false statements and the like so made are punishable by fine or imprisonment, or both under §1001 of Title 18 of the U.S. Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
